

MFX-C3400

11" X 17" **COLOR** OUTPUT. LETTER / LEGAL FOOTPRINT.

DEPLOY. DUPLICATE. DIGITIZE. DELIVER.

### Full Color Printing

- The MFX-C3400 produces high-speed color output at up to 26 pages-per-minute (34 page-per-minute monochrome)
- Advanced color technology sharpens output to produce rich, high-quality documents using ordinary office paper
- PCL 5c / XL and PostScript3 emulations enable printing from a variety of operating systems and network environments
- 40-GB hard drive enables password-protected printing (256-bit encryption available), job timeout, secure erase and print to hard drive
- Standard duplex printing reduces paper consumption to promote cost savings and environmental responsibility
- High-speed USB 2.0 port, IEEE 1284 parallel port and 10/100 BaseT Ethernet port offer connections for both local and networked PC's

### Robust Color Copying

- Experience the performance of a traditional A3 color copier in an MFP that can easily be installed within the workgroup
- 50-sheet reversing automatic document feeder (RADF) efficiently captures two-sided, multi-page documents
- 11" x 17" platen glass enables the seamless copying of carbon papers, bound documents, photos, coated identification cards and other media that is not suitable for the RADF
- Flexible paper options can be installed to handle a variety of output requirements

## MFX-C3400

The MFX-C3400 from Muratec delivers exceptional 11" x 17" color printing, robust color copying, high-speed faxing and intuitive digital document delivery to e-mail addresses, PC folders and USB flash drives, all within the footprint of a traditional letter/legal multifunction device.

### Digital Document Delivery

- Easily deliver color documents to e-mail addresses, PC folders and FTP sites
- Documents can be delivered in PDF, TIFF, JPEG and XPS file formats\*
- On-the-go users can conveniently scan documents to a portable USB flash drive
- Intuitive QWERTY keypad enables the customization of scan file names, e-mail text messages, e-mail addresses and more

### High-Speed Faxing

- 33.6 Kbps fax modem delivers faxes quickly and efficiently
- Convenient, one-touch fax delivery using the fax address book
- Broadcast to multiple fax locations to reduce key-op and increase efficiency
- Send fax documents directly from your PC using the intuitive PC fax driver

\*JPEG and XPS supported within color and grayscale scanning modes only

# IMPRESSIVE DOCUMENT HANDLING AND INTUITIVE OPERATION

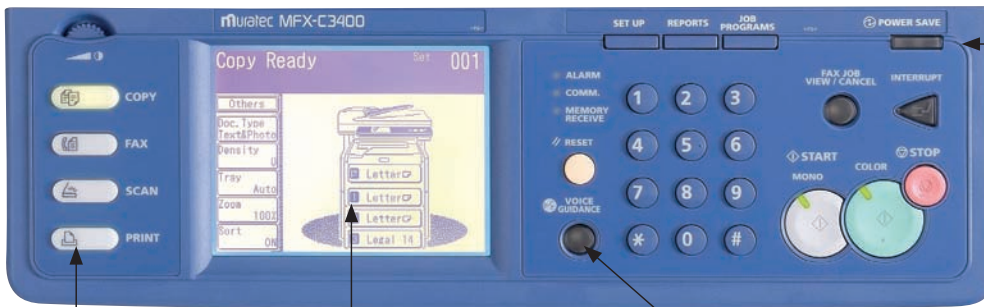

**50-sheet reversing automatic document feeder** enables the copying, faxing and scanning of multi-page, two-sided originals without having to break them into multiple sets. Also supports mixed original copying.

The **11" x 17" platen glass** seamlessly captures documents that are not appropriate for the RADF including carbon forms, coated identification cards, bound originals, photos and more.

**Multipurpose bypass tray** can be quickly adjusted to accommodate a variety of media sizes and weights.

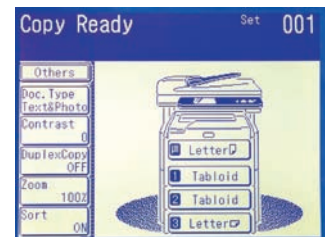

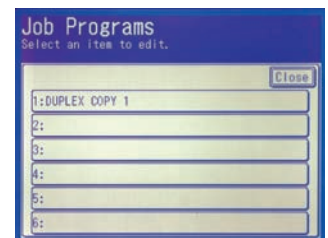

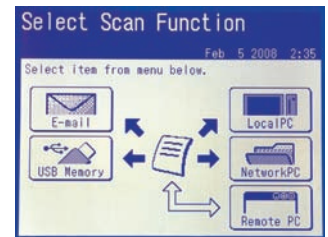

**Power Save** – The MFX-C3400 promotes responsible energy usage by automatically entering a low-power mode after idling. The quick warm-up time and first-copy-out performance insure that the MFX-C3400 will be ready when needed.

**Mode Function Keys** – Quickly switch between modes to enable seamless MFP performance

**LCD Panel** – The 5.8" backlit LCD enables users to quickly navigate menus and perform job operations without spending hours studying a user's guide or having to perform multiple key-op training sessions.

**Interactive Voice Guidance** – Receive verbal, real-time assistance with operational procedures, machine programming and troubleshooting methods.

**MFX-C3400**

- 300-sheet paper cassette
- 100-sheet multipurpose bypass tray

**MFX-C3400 w/C3400CAS1 (Floor Standing)**

- 300-sheet paper cassette
- 100-sheet multipurpose bypass tray
- 530-sheet 2nd Paper Cassette
- Large Storage Cabinet
- 930-sheet total paper capacity

**MFX-C3400 w/C3400CAS2 (Floor Standing)**

- 300-sheet paper cassette
- 100-sheet multipurpose bypass tray
- (2) 530-sheet Paper Cassettes
- Small Storage Cabinet
- 1,460-sheet total paper capacity

# MEDIA FLEXIBILITY

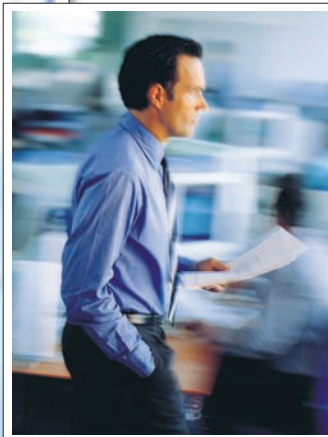

11.6" x 47.24" – Banner

With the MFX-C3400 you can easily create full color 3" x 5" postcards, 11.6" x 47.24" banners and everything in-between! By combining a high-resolution LED print engine, with a seamless paper path, you can efficiently create a variety of color documents faster and with fewer paper jams than the competition.

### Applications

- Create point-of-sale graphics, signage and banners to increase visibility and create awareness
- Easily create and distribute postcards to announce new products/services, offer coupons/specials, generate customer responses, notify customers of an important date (ex. Your annual examination is scheduled for August 1, 2010.) and more
- Deliver dynamic sales presentations and product/service collateral to potential clients

**Time Management Strategies**

Only copy things that are important to you. Don't let your inbox get out of control. Delegate tasks to others. Prioritize your tasks. Use a calendar. Take breaks. Don't multitask. Turn off your phone. Use a timer. Delegate tasks to others. Prioritize your tasks. Use a calendar. Take breaks. Don't multitask. Turn off your phone. Use a timer.

**Tailored solutions.**

Why settle for "off-the-rack" solutions when you can have custom?

At this company, everything we do is tailored to meet your unique needs. By weaving our own blend of technology into standard techniques we've been able to set a new, higher standard for solutions. We've customized many of America's top companies with our solutions, and we can do the same for you. We'll use our comprehensive data and our state-of-the-art logic to assure its accuracy. You'll even have your own specialist assigned to your project to answer any questions and offer suggestions to further enhance the effectiveness of your project. You don't have to wait for a one-size-fits-all approach! Call us today at (800)XXXXXX and we'll design a program that's tailored just for you.

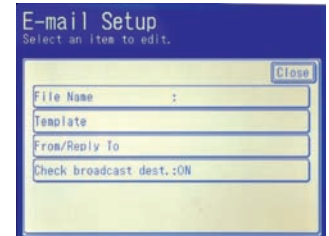

# DOCUMENT DELIVERY SOLUTIONS

The MFX-C3400 enables your workgroup to electronically capture hard copy documents and deliver them to e-mail addresses, network locations, fax terminals and USB drives.

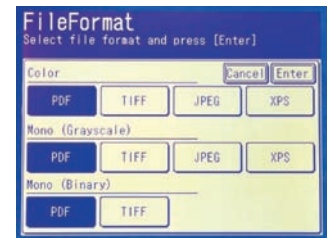

## E-mail

- Deliver documents directly to an e-mail inbox to reduce paper consumption
- Utilize the intuitive QWERTY keypad to customize the file name (document being scanned), subject line (the subject that will appear in the e-mail inbox) and text message (body of the e-mail). Templates can also be created to seamlessly add e-mail signatures and privacy policies to outgoing e-mail transmissions.
- Manually enter e-mail addresses using the QWERTY keypad or select a location from the e-mail address book. The address book can contain up to 500 e-mail contacts.
- Supports LDAP directory look-up
- Supports LDAP & Kerberos authentication

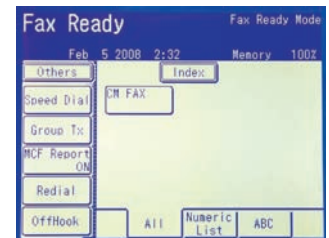

## PC

- Deliver documents directly to a PC folder to create digital archives
- Utilize the intuitive QWERTY keypad to customize the file name (document being scanned)
- Deliver documents to a PC folder at the touch of a button utilizing shortcuts. Up to 50 shortcuts can be registered.

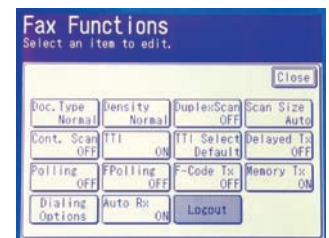

## Fax

- 33.6 Kbps fax modem transmits documents at up to 3 seconds-per-page
- Store up to 500 fax numbers in the address book for instant recall
- Manually dial fax numbers using the intuitive keypad on the control panel
- Quickly send documents from a PC using the fax driver
- Route inbound fax documents to an e-mail address to reduce paper consumption, increase document security and receive critical communication when out-of-the-office
- Generate a confirmation report to show whether a fax transmission was successful.

## USB

- Quickly and securely digitize documents, without a PC, by capturing images directly onto a USB flash drive via the front-mounted USB port.

## 40-GB Hard Drive:

- **Secure printing** – Enables users to suppress document printing until a password has been entered on the control panel.
- **256-Bit Encryption** – Enables secure transmission of documents from the PC to the MFP.
- **Job Timeout** – If a secure print job has not been printed within a set amount of time (as selected by the administrator) the hard drive will automatically erase the job from memory.
- **Secure Erase** – Complete removal of a printed document from the hard drive after printing. The MFX-C3400 hard drive can completely erase all traces of the print job.

# MFX-C3400 SPECIFICATIONS

## GENERAL

<b>Recording Method</b>	LED
<b>Color Print Speed</b>	26 pages-per-minute
<b>Monochrome Print Speed</b>	34 pages-per-minute*
<b>User Interface</b>	Touchscreen (5.8 inch)
<b>Reversing Automatic Document Feeder (RADF)</b>	50 sheets
<b>Standard Paper Capacity</b>	400 sheets (includes 100-sheet bypass tray)
<b>Max. Paper Capacity</b>	1,460 sheets
<b>Cassette Paper Weight</b>	17 – 46 lb.
<b>Bypass Paper Weight</b>	20 – 110 lb.
<b>Duplex Printing</b>	Standard 1:2, 2:2
<b>Duplex Scanning</b>	Automatic
<b>Output Tray Capacity</b>	250 Sheets (Face Down Output)
<b>Dimensions (H x W x D)</b>	26.3" x 22.2" x 25.9"
<b>Weight</b>	141.09 lbs.
<b>Toner Yield (Black)</b>	9,500 impressions**
<b>Toner Yield (Yellow, Cyan, Magenta)</b>	10,000 impressions**
<b>Drum Yield (Black, Yellow, Cyan, Magenta)</b>	20,000 impressions
<b>Ethernet Connection</b>	Standard 10/100 BaseT, RJ-45 Connection
<b>Networks Supported</b>	Windows, UNIX, AppleTalk, Linux
<b>Network Authentication</b>	LDAP, Kerberos
<b>IP/MAC Address Filtering</b>	Standard
<b>LDAP Support</b>	Standard
<b>Local Connection</b>	Standard USB 2.0, IEEE 1284 Parallel Port
<b>Hard Drive</b>	40 GB HDD
<b>Hard Drive Overwrite</b>	Standard
<b>Memory</b>	512 MB (Std), 768 MB (Max)

## PRINT

<b>Resolution</b>	Up to 600 x 1200 dpi
<b>Page Description Language</b>	Standard PCL 5c / XL & PostScript 3
<b>Client OS Support</b>	Windows: 2000, XP, XP(x64), Vista, Vista (x64), Server 2003 (x86/x64), Server 2008 (x86/x64) Mac OS: 10.3-10.5
<b>Print Alignment</b>	Upper Left Corner
<b>Secure Print</b>	Standard
<b>RGB Color Management</b>	Standard
<b>Font Support</b>	86 PCL Fonts, 136 PostScript3 Fonts
<b>Banner Printing</b>	Up to 11.6" x 47.24"

\* Based on A4 (LEF)

\*\* Based on ISO 19798.
